

### Is your profile on the “Myspace” of e-Infrastructure?

Create and manage your project profile on the “Myspace” of e-Infrastructure! BELIEF’s new platform will help you to be counted in the global community of virtual research. Upload your own news, events and create a network of contacts... it’s easy, it’s free, it’s global....what are you waiting for? [Profile yourself now!](#)

### 2nd BELIEF Brazil Symposium

Escola Politécnica of the Universidade de São Paulo, Brazil, 16-17 July 2009

Theme: e-Infrastructures and Sustainability Development

The Symposium will gather the most active EU funded projects, research teams and other key representatives from government, industry and academic communities in the e-Infrastructure field to discuss how e-Infrastructure adoption can foster sustained development in emerging economies. It is expected that about 100 experts from Latin America and Europe in the areas of eHealth, eEducation and eScience will be attracted to this two-day event. [Read more...](#)

### Zero-In Magazine

Zero-In showcases the research and development activities in the world of e-Infrastructures and is a forum for news, comment and analysis on this exciting new research paradigm.

**Issue 1 now published!**

The first edition of the Zero-In magazine is now available on-line. Main theme of this edition: Distance Learning as an e-Infrastructures application. [Go to the articles](#)

**Submit your articles for the issue 2!**

We welcome your contributions for the for the 2nd issue, whose theme will be Earth Sciences and Astronomy applications. [Click here for information on article submission!](#)

### The BELIEF Digital Library

The Digital Library (DL) allows you to easily store, search, access and preserve a variety of multimedia documents. The DL is available as a free service to all registered BELIEF community members. Save setup and maintenance resources by using the DL as your project repository. BELIEF welcomes all contributions from European Projects and International institutions at large, not only on e-Infrastructures themes but from all sectors needing the support of a Digital Library. The document upload is easy and intuitive. Click [here](#) to access the DL or contact [dl@beliefproject.org](mailto:dl@beliefproject.org) for any further information.
